PIEBBE,

Dakota.

The city of Pierre is the county seat of of Hughes county, Dakota and is lo-cated on the east bank of the Missouri river, in he geographical center of the proposed new State of South Dakota, and is opposite the center of the great Sioux reservation. It is the present terminus of the Dakota Central through trank line of the Chicago & Northwestern Railway; i- distant 781 miles from Chicago, and through drifty trains without change of cars run between the two cities in 32 hours.

The city is mainly built upon the large and broad terraces overlooking the river with its wooded banks and islands, and as the slope of each terrace or beach is toward the river, the eity is perfectly drained and is free from the dangers resulting from floods or imgeriect sewarage.

PIERRE.

POPULATION OF PIERRE IS 2.500.

It has an excellent municipal government. The Presbyterian College of Southern Dakotz, now in operation, and numerous ward schools, effer superior elacational advantages. There is one first class hotel, the Wells House, and ten second class hotels open; two daily and four weekly newspapers four

ta. Quarter sections or farms of 60 LOGAN.
acres, every foot of which can be cutivated, can be bought from \$600 to \$1200 July 1,1 depending upon their distance from the city. Government land can be taken up within ten miles from the city. The country west of the river and included in the great Sioux reservation [which it Attorney . at : Law, is expected will be thrown open to set-tement this Spring] is the best wheat growing land in Dakota.

DAKOTA.

A Shipping Point. Pierre is a shipping point for all Black Hills freight sent over both the Chirago & Northwestern and Chicago, Milwaukie & St. Paul Railways. Shipments via the latter line to its Missouri Attorney at Law

ment to the Hills. The traffic between the transportation of freight there are long and all attention given to call ctions of one and all attention given to call ctions of the contract of the contr constantly employed, the tonnage per angum, and the money annually L. A. TUSSING. paid for treighting amounting to over Pierre is the head-quarters for Zill-tary and Ranch Supplies, forwarded by river to the various forts and mili-tary posts and to various points along the "Big Muddy," where small settle-ments have sprurg up. Pierre has the trade, altogether of not less than 50,-000 people, including Indians. U. S. A. Quartermaster's office, government store houses, and offices of a Collector of Customs, and Internal Revenue Collector are located here. In the river traffic there are twenty-five steamers engaged during the season, plying be-

Building Activity. During the past season there was

high, and everything indicates that ing during the year 1884, and there will be an active demand for building material and mechanics in all branches

The first industry established in Pierre was brick making of which there was manufactured inst season over. 1,-000,000 of superior quality, and arrangements have now been completed to manufacture more than 3,000,000 the coming season. There is a great demand here for iron work, and a foundry and machine shop which could make cast pieces for buildings, breaking plows for the farmers, and do repair work on implements and steam-boats would do a very profitable business.

PIERRE.

A Mannfacturing Business can only be established at Pierre, owing to the low freight rates obtained, competition between river and railroad duce. transportation, the abundance of wood, which is now selling at \$4 per cord and the immense quantity of coal and other raw material in the adjacent reservation west of the river.

Not After the Jug.

He was told to go shead with all his might, but he had scarcely made ready when a second man arrived. He had an iron nock fastened to a stout cord,

their lines when a third man put in as appearance. He seemed considerably ed, and by early morning the sea was surprised to find any one shead of him.

The sixth man had just found time

the water. Indeed, the flamingo was in distress, like themselves, having months. "Always the way! Last night I

A very remarkable mosaic has fast been discovered at Nimes. It is over 150 square feet in size, and represents a Roman emperor sested on a throne, by the side of which stands a female Saturday Club, Emerson said: "I am figure. There are also two figures of men, leading, the one a lion and the other a wild bear. A warrior with a Roman helmet and a number of slaves the first time."

Jr., the latter spoke of the cold eyes of one of our public men. "Yes," said Emerson, meditatively, "holes in his head!"
